The broad and narrow ways

Sharing an 'unwanted' truth

Hope 'unborn'

Questions for your Christ Care Group:

1. How does man's autonomy *(independence)* separate him from God?
2. How does it make you feel when so many reject the truth you offer?
3. Why must we still share that same truth? Why must we persist when logic would tell us that we are wasting our time?

Reflection question; Go in your Bible to Hebrews chapter eleven and read the first sentence of verse one, what do you think the author is trying to say?
